

Monthly Meetings

Our meetings are held on the 3rd Thursday of every month. The program begins at 6:30pm but you may arrive as early as 6:00 for social time and chatting with our members. The first hour of the program consists of a guest speaker with the second hour containing announcements and a member slideshow. After the program, you can hang out for more social time. Bring images to share with everyone as well as old copies of your favorite photography magazines to pass along to others.

Future Meetings

March 17th - Our speaker Gil Carlon will be presenting product photography. Please check out Gil's website at <http://www.spectrastudioskc.com/>. Gil is a commercial and fashion photographer from New York with 30 years experience. Gil brings his unique blend of contemporary and classic photography to life in Kansas City. He brings the look of fashion and magazine quality to weddings and everything he does. He has embraced the Digital format with its new program technology and utilizes a skill set forged from traditional darkroom techniques and camera skills. A unique combination that translates into simple but elegant portraiture that will be as relevant in the years to come as it is today.

DD&B member Carolyn Fox is conducting two workshops in Yellowstone National Park this year, one in May (5/16 - 5/20) & one in Oct. (10/10 - 10/14) You'll photograph the beauty & wonder of the Yellowstone landscape, the amazing geological features & the wildlife. In addition to 5 full days of photo instruction, plus critiques &/or Photoshop sessions in the evening (as time allows), the workshops will include 6 nights lodging just outside the park, most lunches, a photo field guide & a DVD of Yellowstone pictures. The workshops will cost approximately \$900 - \$1,000 if you share a room with another workshop participant or \$1,100 - \$1,200 for a single. Let me know if you're interested & I'll notify you of the exact cost as soon as I finish negotiating the room prices. I'm limiting each workshop to 8 participants so, if you're interested in participating, please email me at foxden1966@sbcglobal.net as soon as possible. If both workshops don't fill up completely, I may eliminate one, so let me know which one you're interested in attending.
