****Call for your great Shooting Locations & Local Events to shoot****

One of our members Julie Sleszynski is going to put together a list of best locations for shooting Kansas City photos and keep an area events calendar with photo opportunities. She would like input from you on your favorite shooting locations. Please be specific on the location such as "Shawnee Mission Park Shelter 4 and Marina for sunrise photos" rather than just "Shawnee Mission Park."

You can contact Julie at: jsleszynski@hotmail.com or by phone at 913-451-4587.

Let her know if it is okay for her to contact you if she needs more specific information about the locations such as:

- Architecture in KC (Kauffman Center...)
- KC Skyline (KAW Point...)
- Sunset and Sunrise locations
- Your favorite photography spots.

Click [here](#) for an event schedule for October.

Suggestions or updates to the events calendar are welcome as well.

We will have a dedicated table at each meeting for you to bring items such as equipment, magazines, books, etc. to sell, swap or share.
