[Flickr](#) is a great place to show your photos and is an excellent resource for gathering feedback & for getting questions answered. It has a huge number of very active groups on almost any photography topic or subject you can think of and is worth checking out.

****Call for your great Shooting Locations & Local Events to shoot****

One of our members Julie Sleszynski is going to put together a list of best locations for shooting Kansas City photos and keep an area events calendar with photo opportunities. She would like input from you on your favorite shooting locations. Please be specific on the location such as "Shawnee Mission Park Shelter 4 and Marina for sunrise photos" rather than just "Shawnee Mission Park."

You can contact Julie at:
jsleszynski@hotmail.com or by phone at 913-451-4587.

Let her know if it is okay for her to contact you if she needs more specific information about the locations such as:

- Architecture in KC (Kauffman Center...)
- KC Skyline (KAW Point...)
- Sunset and Sunrise locations
- Your favorite photography spots.

Suggestions or updates to an events calendar are welcome as well.

Organizing Committee

A lot of thought and planning go into each of our meetings and field trips. Getting involved with the committee that does the planning for these events is a wonderful way to enhance your membership. We are always looking for new members of our Organizing Committee.

Several of the positions that are open for new members of the committee are: meeting moderator; planning coordinator; and outside services liaison.
