DD&B Flickr Group

For any Flickr users, be aware that there is now a Digital Dimensions Flickr Group. We would encourage any members with Flickr accounts to join & post to that group, specifically photos that were taken at or related to DD&B field trips or meetings. The group can be found [here](#).

[Flickr](#) is a great place to show your photos and is an excellent resource for gathering feedback & for getting questions answered. It has a huge number of very active groups on almost any photography topic or subject you can think of and is worth checking out.

Swap & Shop

We will have a dedicated table at each meeting for you to bring items such as equipment, magazines, books, etc. to sell, swap or share.

****Call for your great Shooting Locations & Local Events to shoot****

One of our members Julie Sleszynski is going to put together a list of best locations for shooting Kansas City photos and keep an area events calendar with photo opportunities. She would like input from you on your favorite shooting locations. Please be specific on the location such as "Shawnee Mission Park Shelter 4 and Marina for sunrise photos" rather than just "Shawnee Mission Park."

You can contact Julie at: jsleszynski@hotmail.com or by phone at 913-451-4587.

Let her know if it is okay for her to contact you if she needs more specific information about the locations such as:

- Architecture in KC (Kauffman Center...)
- KC Skyline (KAW Point...)
- Sunset and Sunrise locations
- Your favorite photography spots.

Suggestions or updates to an events calendar are welcome as well.

Member Slide Show:

Each meeting we have a slideshow of photos submitted by our members. We hope that most members will submit photos as well as discuss.

In addition, the photos submitted for the slideshow will be available for viewing on the DD&B website: www.digitaldimensions.smugmug.com They are displayed by both member name & by month. If for some reason you would NOT like your images (new or past photos) displayed on the website please let us know at the same email you use to submit.

Submission Guidelines:

- You may submit up to 5 images.
- Please be prepared to share some of your technical information such as aperture, shutter speed, lens, etc. and why you feel the image has impact and is enjoyable to you.
- JPEG format. 1600 pixels on the long side at 90%/high jpg quality is recommended for the best viewing later on the website but feel free to submit larger or smaller.
- Please leave EXIF data if possible
- E-mail your images to: ddkclideshow@gmail.com

no later than 11:00 pm on the Wednesday night before the meeting

(for more specific details about submissions please see the [submissions web page](#))

Note: Andrew will no longer be able to accept images at the meetings.

You are also encouraged to bring hard copies of your photos to share before and after the meeting at a table in the foyer.

Announcements

If you have any information about photo trips, classes, contests, other club news, events or anything having to do with photography that you think our members would be interested in, send me an email and we'll put it in the newsletter.

Organizing Committee

A lot of thought and planning go into each of our meetings and field trips. Getting involved with the committee that does the planning for these events is a wonderful way to enhance your membership. We are always looking for new members of our Organizing Committee.

Several of the positions that are open for new members of the committee are: meeting moderator; planning coordinator; and outside services liaison.

Join our group. We meet on the first Thursday of each month.
