

DD&B KC Field Trip
Flint Hills Rodeo, Strong City and Points of interest in Chase County Kansas
Saturday, June 4
Rain or shine

This can be a self-guided field trip or done with a group.

A group will leave at 6:30am from the McDonald's off I35 and 151st Street (1600 S. Hamilton Cir. in Olathe) and head down to Chase County. We will try to take in some of the points of interest listed below and end the day at the Flint Hills Rodeo.

There will be opportunity for many types of photography so pack a few lenses for variety. Some suggested equipment in addition to your camera/lens would be a tripod, cable release/wireless remote, polarizing filters and neutral density filters.

We will have copies of the DD&B RELEASE OF LIABILITY AND ASSUMPTION OF RISK FORM for you to sign before participating in the field trip.

Looking forward to seeing you on June the 4th when we will capture some great images together.
